

Hello all,

Out of concern for everyone's health and safety, June 20 meeting is postponed.

When limits of social contact related to Covid-19 are lifted, we will return to our routine meeting schedule.

We do need everyone's help to move our art back to the smaller space.

The move is scheduled for Saturday, June 27th at 10am. The Clairemont Square management has a paying tenant moving into the big space.

Inga Scott has agreed to bring her pickup truck, but if there is anyone else with a roomy vehicle, SUV, etc., please bring it. It will make the move much quicker. Please bring your protective masks. You may also be able to change out your art pieces at the same time. Thanks to those members that have already sent me their dues for the upcoming year.

For all others, the membership fees are due by 30 June (for July 1, 2020 to June 30, 2021).
